DETAILED ACTION

Allowable Subject Matter

Claims 1-40 are allowed.

The following is an examiner's statement of reasons for allowance: no prior art was found that included an optical output that was implanted in the eye that was electrically connected to the pressure switch that upon activation of the pressure switch the optical output indicated the activation of the switch in the eye.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
